8 Mr. C. K. Venkataramaiya was directly recruited to the post of Kannada Translator to Government in 1924 the results of a competitive examination held for the purpose and placed in the grade of Rs.200-20-400. He reached the maximum of this grade on 1st March 1933.

9 On his representation that his work had considerably increased since his first appointment and that no further outlet or prospect of promotion was open to hi in the ordinary course, he was placed in a higher grad of Rs.400-25/2-500 and started on Rs.425/- in that grade from 1st June 1936.

10 He represents that the biennial increment of Rs.2 fixed in his case compared unfavourably with the rates of increment allowed for similar posts in other Departments and that his own previous grade carried an annual increment of Rs.20/-. He requests that he may be allowed to draw the maximum pay of his grade, viz., Rs.500, from 1st June 1937.

11 In the University and Education Departments, the scale of pay of the posts just above Rs.400/- is Rs.400-25-700. The scales of pay of Assistant Commissioners & Senior Assistant Commissioners are Rs.250-40/2-450 and Rs.500-50/2-600 respectively. The biennial increment of Rs.25/- fixed in his case is, I think, rather low for an officer of his status and I would recommend that the increments may be made annual. If this suggestion is accepted, he will be entitled to Rs.450/- from 1st June 1937.

MRS 10.6.37

Dewan) thro' Fin Secy

A biennial increment of Rs.25/- is obviously too small for a grade of Rs.400 to Rs.500 but an annual increment of Rs.25/- would be unnecessarily high. I have no objection to the grade pay being revised to Rs.400-20-500 which seems to be more appropriate. If the scale is revised as above, he may be given Rs.440/- from 1st June 1937, the pay he would have got had this scale been sanctioned and he had been started on Rs.420/- from 1-6-1936 (instead of Rs.425 in the grade Rs.400-25/2-500).

To grant the maximum of the grade pay asked for is not financially acceptable.

I beg to invite reference to my Submission Note dated 22nd June 1936 and His Highness's orders thereon approving of the proposal to place Mr. C. K. Venkataramaiya, Translator to Government, in grade Rs 400-25/2-500 with a starting pay of Rs 425/- from 1st June 1936.

Mr. Venkataramaiya represents that the scale of pay allowing for a biennial increment of Rs 25/- is less liberal than the scales of pay allowed to corresponding status in other Departments, and that in view of the considerable increase in the work of his office and his good record, he may given the maximum pay of his grade, viz., Rs 500/- per mensem from 1st June 1937.

Page 4 of the Note.

Mr. Venkataramaiya is a deserving officer, and he merits some reward not only for the hard work he does but also for his literary work, outside his routine duties, in the service of Kannada literature. In view of this, I am of opinion that he may be given a pay of Rs 500/-.

The Members of Council concur in the above recommendation, which may be graciously approved.

MEMO OF POINTS.

1. Last year, I was given the grade of Rs.400-25/2-500 and my pay was fixed at Rs.425 in that grade with effect from 1st June 1936 (G.O.No.3165/C.B. 9-34-2 dated 29th June 1936), whereupon I submitted, on 3rd December 1936, a representation to the Chief Secretary to the Government of His Highness The Maharaja of Mysore.

2. In the representation I prayed that my hard case might kindly be reconsidered and a better grade might kindly be given to me and that for four reasons:-

Firstly, that the translation work had more than doubled itself in recent years.

Secondly, that the translation work in my office was more than seventeen times that turned out in the Madras office where the present Kanarese Translator draws Rs.750/- per mensem inclusive of an allowance.

Thirdly, that in the University and the various Departments of Government, even those who were drawing less pay in lower grades had been given grades far higher than mine and when compared to their prospects mine were meagre indeed, although my work was as arduous as theirs.

Lastly, that with regard to the incremental rate in my new grade (Rs.400-25/2-500) no appoint of any grade with a maximum of Rs.500 in any other department carried such a ~~biennial~~ biennial increment and all such appointments had either an annual increment of Rs.25/- or a biennial increment of Rs.50/- attached to them while even my old grade (Rs.200-20-400) carried an annual increment of Rs.20/-

3. Further, I submitted in the representation how in the year 1935 alone, the Dewan, after graciously giving a sympathetic hearing to me, was pleased to promise that he would give me two advance increments in the new grade and how my representation was not taken up for consideration in that year and prayed that my pay as well as the maximum of the grade might kindly be raised.

4. My representation could not be taken into consideration as it had been only five months since the grade was revised and the Dewan kindly asked me to wait till the year was over.

5. This morning, the Dewan was graciously pleased to give me an Interview and what took place at the interview I have already submitted in person to the Chief Secretary.

6. It is prayed that in case the maximum of my grade cannot be raised for the present, at least the incremental rate of Rs.25 in my grade may kindly be made annual placing me in grade Rs.400-25-500 and that I may kindly be given the maximum (viz., Rs.500/-) in that grade with effect from 1st June 1937. I would have been drawing Rs.500/- per mensem from 1st March 1937, if the gracious promise of the Dewan had taken effect in 1935.
